# Construction & Design Technologies

“With our expansive labs, industry-standard equipment, and knowledgeable faculty, the majors in the School of Construction & Design Technologies are designed to put you on solid footing to enter today’s technology-based construction and design industry.”

Carol A. Lugg, Ed.D.  
Dean, School of Construction & Design Technologies

## Degrees

### BACHELOR’S DEGREES

Architecture & Sustainable Design  
Civil Engineering Technology  
Construction Management  
Heating, Ventilation & Air Conditioning Design Technology  
Residential Construction Technology & Management

### ASSOCIATE’S DEGREES

Architecture  
Building Construction Technology  
Civil Engineering Technology  
Concrete Science Technology  
Heating, Ventilation & Air Conditioning Technology  
Surveying Technology

*\*Dual degree options available. Contact the school office for more information.*

## Student Organizations

- Air Conditioning Contractors of America (ACCA)
- American Institute of Architecture Students at Penn College (AIAS)
- American Society of Civil Engineers (ASCE)
- American Society of Heating, Refrigerating & Air Conditioning Engineers (ASHRAE)
- Construction Management Association (CMA)
- Penn College Construction Association (PCCA)
- Penn College Women in Construction
- Pennsylvania Society of Land Surveyors (PSLS)
- Sigma Lambda Chi
- SkillsUSA
- US Green Building Council (USGBC) Students of Penn College

## Accreditations, Endorsements, and Certifications

Association of Technology, Management, and Applied Engineering (ATMAE)  
[Architecture](#)

Pennsylvania Builders Association (PBA) Endorsement  
[Building Construction Technology](#)

American Council for Construction Education (ACCE)  
[Construction Management](#)

Engineering Technology Accreditation Commission of ABET  
[Civil Engineering Technology majors](#)  
[Surveying Technology](#)

Partnership for Air Conditioning, Heating, Refrigeration Accreditation (PAHRA)

Approved National Oilheat Research Alliance (NORA): Bronze Certification Training Site

Air Conditioning Contractors of America (ACCA) Endorsement  
[Heating, Ventilation & Air Conditioning](#)

## Study Abroad

Earn credits, experience other countries, meet new people, travel overseas, and add to your résumé—all while being a Penn College student.

## Scholarships

Students enrolling in an associate’s degree in the School of Construction & Design Technologies may be eligible for the BE Scholars Scholarship. Learn more at [pct.edu/bescholars](http://pct.edu/bescholars)
